Jellyfish is a drifter, but he's tired of being tossed around in the current-he wishes he could stay in one place. Mussel is stuck to a rock and he's tired of staying in one. This book is written from an inter-disciplinary perspective with the South African business context. It provides an introduction to the theory required for studying business. A world starved of energy having exhausted its fossil fuel reserves needs an alternate source to facilitate travel. The time is ripe for the next next stage of man's evolution.
